## I WILL SUCCEED

“My son, forget not my law,  
but let thy head keep my commandments:  
for length of days and long life and peace  
shall they add to thee ... so shall thou find  
favour and good success  
in the sight of God and man.”

---

*My son, do not forget my teaching,  
but keep my commands in your heart,  
for they will prolong your life many  
years and bring you prosperity. Let  
love and faithfulness never leave you;  
bind them around your neck, write  
them on the tablet of your heart.  
Then you will win favour and good  
name in the sight of God and man.  
(Prov. 3:1-4)*

## INTRODUCTION

This document shall inspire Christians to focus on success, dream, work and achieve success. It is my success wish to every believer, charging them to open their minds and eyes to see and appreciate the fact that the success we are pursuing is found in Christ Jesus.

*According to his divine power, hath given unto us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue. (II Pet. 1:3)*

*I am the gate; whoever enters through me will be saved. He will come in and go out, and find pasture. (John 10:9)*

Success is the ability to overcome failure... and every believer must understand failure as a product of

disappointment, frustration and setbacks. This year, everyone should be optimistic and ready to pay the price required to succeed in whatever we find our hands to do. We shall look at this subject carefully, under certain simple sub headings.

## **THE STRUGGLE FOR SUCCESS**

The struggle for success involves an interesting process, though very stressful most times. This is so because everybody aims at success in any endeavour. No one in life has ever escaped this struggle since the road to success interests everyone and no one wants to be a failure. Everybody, including you reading this book desires to be successful

The man who staggers under the influence of alcohol trying to make sense out of life wants to be successful. Even the woman who sells her body on the street at night really wants to be successful. Religious leaders, politicians, business brokers and those in their career pursuits all pursue success. The problem is that most of the people want to succeed by scheming, which explains why a corrupt person can never be successful.

Why is the struggle for success so interesting to people, both Christian and non-Christian? I have seen people struggle with success to the extent of humiliating themselves and others as well. People have had to spend so much **resources** in their quest to succeed in life, while some kill or get killed.

Many graduates and career pursuers have become tensed just because success has not been met, ladies and young men have become extremely desperate in life, in order to satisfy certain targeted successful expectations. Some have gone to the extent of hurting their feelings and that of others provided success is recorded in their favour.

The spirit of success has been so alarming, ringing bells and pushing several people into the world thereby, exposing some people to danger at the expense of their well-being. Many have traded their souls in exchange for temporal needs at

the expense of eternal life. Really, success is such an interesting thing to achieve. However, gaining success may not always be a life-long struggle. Over-struggle may not necessarily land us well. It may not be of the strong or mighty, neither would it be of the skilful or talented. Success is appointed of God. Therefore, take a deep breathe, go through this strategic proposal prayerfully and believe that grace can locate you this time.

*“So then it is not of him that willeth,  
nor of him that runneth, but of God  
the showeth mercy.”*

Rom. 9:16

*“I have seen something else under the  
sun: the race is not to the swift or the  
battle to the strong, nor does food  
come to the wise or wealth to the  
brilliant or favour to the learned; but  
time and chance happen to them all.”*

Eccl. 9:11

## **SUCCESS IS POSSIBLE**

Success is possible for anyone because God can bless anybody. It is important to prove to us that every human being was born to be successful. Whether you are a student seeking for educational advancement, a business man yearning for profit, a politician seeking an office, a single who is praying over a relationship or a house wife/husband being faced with the pressure of marital success, yes indeed, you can be successful.

God created everything He made to be successful; He built into it the capacity to succeed in its function. Whether it's a bird, fish, animal or plant, God's design is for them to succeed. God is always committed to our success because He is committed to the success of everything He created.

### **Please note!**

You were never created to be a failure,  
a l o o s e r , a w o n d e r e r , a

disappointment, an abandoned person, an abused, a joker or a coward. These are not the reasons you were created. You were created by God to be a winner, an achiever, an exceller as well as a success. You are a first class citizen in God's creation, God's master piece.

*“But you are a chosen generation,  
a royal priesthood, a holy nation, a  
peculiar people...”*  
(1 Pet. 2:9).

Being a failure, loser, or such, are all products of your mind because as a man thinketh in his heart, so he is. If you believe in your competence to succeed in anything you do, the Lord our God will grant you the grace to become more than what people expect of you in this life. And so, this year, be reminded that you are taking back your destiny, you will be what the Lord says you are.

*Let's listen to God now...*

*PHIL. 4:13*

*"I can do all things through Christ  
which strengtheneth me"*

*PSA. 23:1-6*

*"The Lord is my shepherd, I shall not  
be in want, He makes me lie down in  
green pastures, he leads me beside  
quiet waters, he restores my soul. He  
guides me in paths of righteousness  
for his name's sake. Even though I  
walk through the valley of the  
shadow of death, I will fear no evil,  
for you are with me; your rod and  
your staff, they comfort me. You  
prepare a table before me in the  
presence of my enemies. You anoint  
my head with oil; my cup overflows.*

*Surely goodness and mercy will  
follow me all the days of my life, and I  
will dwell  
in the house of the Lord forever."*

**PSA. 1:1-3**

*Blessed is the man who does not walk in the counsel of the wicked or stand in the way of sinners or sit in the seat of mockers. But his delight is in the law of the Lord, and on his law he meditates day and night. He is like a tress planted by streams of water, which yields its fruit in season and whose leaf does not wither. Whatever he does prospers.*

## **FOUR REALITIES OF SUCCESS**

Certain realities about success exist and they must be carefully noted by whoever dreams of success. Understanding the realities of success shall grant you boldness and guide your path as your labour and toil the field for success.

### **1. Success is not Biased but Principled**

Real success does not choose or reject people, it follows principles. No one ever succeeds due to skin colour, race or tribe because the laws that make for success are neither sentimental nor tribal. Every successful person must understand and obey the principles in order to be success. These laws were invented by God Himself as the first laws given to man in dominating this earth. Those who understand these laws effectively will always succeed and will continue to rule over others

both in the Church and in the world. Listen to this law as the bible puts it.

*“So God created man in His own, in the image of man created he him; male and female created he them. And God blessed them, and God said unto them, **Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion** over the fish of the sea and over the fowl of the air, and over every living thing that moveth open the earth.”*

Gen. 1:27-28

Notice that laws have no respect for location or time, laws are not controlled by environment, laws can actually change environment. When you obey the laws of success, you will surely succeed no matter where you are, who you are or how you are.

2. **Great success follows little things**

Every great thing that has ever existed has been the result of little things or little efforts put together. In order to be greatly successful, we need to acknowledge the immense contributions and the power of the small things that make them great. Many writers have written on the immense importance of little effort growing to great ones. Below are some notable quotes:

*"Whoever wants to reach a distant goal must take small steps"*

(Saul Bellow);

*"Blessed are they who see beautiful things in humble places where other people see nothing"*

(Camille Pissarro);

*"It's the little details that are vital. Little things make big things happen."*

(John Wooden);

*"Success is the sum of small efforts  
repeated day in and day out."*

(Robert Collier)

*"It's no big thing, but you make small  
big things out of little things  
sometimes"*

(Robert Duvall)

It is obvious that life is made up not of great sacrifices or duties, but of little things, in which smiles and kindness and small obligations given habitually, are what preserves the heart and secure comfort. Most times, we waste little resources like money, finances, energy, etc thinking they are not important just because they are not big. All of us must learn to wage war this year against waste because a lot of people have seen money which did not stay because of waste. Those waste of what you consider as little things that you give to people carelessly

can sum up to something meaningful in life. Draw a line today between what you need and what you want.

Luke 16:10

*"One who is faithful in a very little thing is also faithful in much, and one who is dishonest in a very little is also dishonest in much"*

Matt. 13:32

*Consider a parable of the mustard seed: "Another parable put He forth unto them, saying, The kingdom Of heaven is like to a grain of mustard seed, which a man took, and Sowed in the field. Which indeed is the least of all seeds: but when it is grown, It is the greatest among herbs, and becometh a tree, so that the birds of the air come and lodge in the branches thereof"*

### **3. No one is too old to find success because success never comes late**

Have you ever contemplated that you are too old to be successful or to achieve your dreams? If so, message will change everything. The truth is success has no deadline! Don't give up on your dreams, it is never too late to be successful in life. You are never too old. Many of the world's most successful people did not even start working on their dreams until their 50's or 60's, Abraham started his own at hundred.

Whatever your dream is, it is never too late or too early to achieve it. Be it financial or material success or a lifelong dream, IT IS NEVER TOO LATE, you should always follow your dreams! You are not a failure and you can achieve what you want

in life, no matter what your age is. Keep your head up and never tell yourself that you have missed your chance. You are on your own clock, no one else's. You could literally decide today, right this second and your life would never be the same again.

4. **Your Success is good for God**

Gen 1:26

*Then God said, "Let us make man in our image, in our likeness, and let them rule over the fish of the sea and the birds of the air, over the livestock, over all the earth, and over all the creatures that move along the ground."*

Man was created in the image of God, therefore, the success of every man and woman including that of everything that was created is good for God. This is so because the success of a product protects the

reputation of the manufacturer. It is necessary for a product to succeed for the sake of the manufacturer. The manufacturer needs for his product to succeed because his name is on the product. This is why every manufacturer builds into his product the ability to be successful in its function.

God's reputation therefore, depends on the success of everything He created; this is why God sustains the birds, he must make sure that they can fly and find food. He makes sure that seeds can bring forth a tree and find nutrients, sunlight and water. Then it comes to you, God wants you to succeed even more than the birds, plants and animals because you are the apex of God's production system. God wants us to succeed even more than the birds, plants and animal because, we are His image while they are His imprints.

Matt. 6:26

“Look at the birds of the air, they do  
not sow or reap  
or store away in barns, and yet your  
heavenly Father feeds them.  
Are you not much more valuable  
than they?

## **THE PROCESS OF SUCCESS**

Success is not a destination but a process that requires improvement from one step to another. We may view this with different subheadings which may further be broken down into simple steps that builds up into something great.

### **1. Understand and identify with important Forms of Success**

Success is not just about making money, there are actually many elements that you want to make sure are at world-class levels before you call yourself a winner which include:

- (i.) Inner Success which includes a positive mindset, high self-respect, internal peace and a strong spiritual connection.
- (ii.) Physical Success which starts with

your health as your greatest wealth. What is the point of getting to a great place in your career if you get sick doing it? Why be the richest person in the graveyard?

(iii.) Family Success includes the fact that when your family life is happy, you will perform better at work. No one gets to the end of their lives and regrets making their family a top priority.

(iv.) Career Success which concerns with actualizing your highest potential by reaching for your best in your career. Getting to greatness in your profession brings a feeling of satisfaction on a job well done.

(v.) Economic Success emphasizes

that money is important. Makes life easier and better. Money allows you to live in a nice home. Take beautiful vacations and provide well for those you love.

(vi) Community Success concentrates on the fact that human beings have a psychological need for connection and belonging. A rich network of mentors, interesting thinkers and valued friends just makes life better.

(vii) Adventure Success establishes the fact that to be fulfilled, each of us needs mystery in our lives. Challenge is necessary for happiness. The human brain craves novelty. And we are creative beings so we need to be creating constantly if we hope to

feel joy. Lots of adventure (ranging from meeting new people to visiting new places) is an essential element of success.

(viii) Impact Success. Perhaps the deepest longing of the human heart is to live for something greater than itself. Each of us craves to be significant. To make a difference. To know that the world has somehow been better because we have walked the planet.

I invite you to focus on each of these elements if you want to experience authentic success. Money alone does not define success. There are many rich people who are unhappy and therefore unsuccessful as human beings. By focusing on elevating

these areas to world-class levels, you will not only shine ever so brightly for all those around you – you will also find contentment that last, amen.

## **2. Consciously Increase in Grace**

To be successful in the spirit, we must see your increase on the ladder of GRACE.

### **II PETER. 1:3-12**

“His divine power has given us everything we need for life and godliness through our knowledge of him who called us by his own glory and goodness. Through these he has given us his very great and precious promises, so that through them you may participate in the divine nature and escape the corruption in the world caused by evil desires.

*For this very reason, make every effort*

*to add to your faith goodness; and to goodness, knowledge; and to knowledge, self-control; and to self-control, perseverance; and to perseverance, godliness; and to godliness, brotherly kindness; and to brotherly kindness, love.*

For if you possess these qualities in increasing measure, they will keep you from being ineffective and unproductive in your knowledge of our Lord Jesus Christ.

**But if anyone does not have them, he is near-sighted and blind,** and has forgotten that he has been cleansed from his past sins. Therefore, my brothers, be all the more eager to make your calling and election sure.

For if you do these things, you will never fall, and you will receive a rich

welcome into the eternal Kingdom of our Lord and Saviour Jesus Christ.

So I will always remind you of these things, even though you know them and are firmly established in the truth you now have.”

### **3. Cultivate Humility in the Fear of God**

Real success begins with humility and this is the quality of not thinking that you are better than other people (Phil. 2:3). Humility is like a foundation or stepping stone unto greatness. It allows for listening, learning, correction, changes and development, creating room for knowledge while making it easier to assess things that attract success. But pride closes the door against any good thing. In Proverbs 22:4 the bible provides that

by humility and the fear of the Lord are riches, and honour and life. It further adds in Proverbs 15:33 that humility comes before honor. Jesus summarised this in Matthew 18:4 when He taught the even greatness in the Kingdom of God is measured by humility. And finally, Elder James in his book of James 4:10 admonishes that we should submit ourselves before the Lord and he will lift you up.

#### **4. Be sure of Personal Development**

The bible in Proverbs 12:9 records thus, *“He that is despised and has a servant, is better than he that honors himself, and lacks bread”*. If you have to succeed in life, then personal development should be your goal. Your purpose in life is not to pursue

unnecessary things that makes you puff up or to borrow things and decorate yourself under the guise of being great or to disguise yourself and pretend to be what you are not. You do not need to show up in order to be great and greatness is not measured by your physical strength. So many people are interested in developing others more than themselves but your personal development is a permanent tool to the development of others. And no one can under estimate the power of self-development. Let us split this into three aspects;

- a. Education (Knowledge)
- b. Vocation (Handwork)
- c. Attitude (Character) Knowledge is power, handwork is wealth while character is personality, gain these

three and stand out different. Nobody can challenge the power of education; it moulds up the simple and presents the poor before the rich. Development is the gradual growth of something so that it becomes advanced, stronger, and long lasting. Education is the search for knowledge; it improves an individual, transfer's knowledge and develops skills. You cannot dream yourself into a character; you must train yourself and cultivate good habits. Knowledge, hard work and character are the building blocks for success.

## **5.     Activate Self Realization**

This implies coming to senses about your true person and accepting reality. Whenever you face realities,

you can acknowledge where you are and what is affecting you. Do not only live on the achievement of your parents or that of other people, avoid pretence and be real, stop living in cover-ups but try to know if you are actually moving forward or marking time, progressing or retrogressing, in motion or static benefiting or loosing. Self realization leads a man into personal resolution about his way forward. It is not confession or remorse rather repentance. It leads you into unfolding your potentials and making use of them accordingly. Please consider the following scriptures: Luke 15:11-12 (And when he came to himself, he said, I will arise); Gal 6:3-5 (If anyone thinks he is something when he is nothing, he deceives himself.); Prov. 9:12 (If you

are wise, your wisdom will reward you but if you are scornful, you alone shall bear it.)

## 6. **Change your Ideology**

Eccl. 10:2-3 Prov. 27:19

*“A wise man's heart is at his right hand; but a fool's heart at his left. Yes also, when He that is a fool walketh by the way, his wisdom faileth him, and he says to everyone that he is a fool.”*

Your thoughts, ideas, perception and views about life can influence you greatly. To be positive, you must think positive and for possibility, you must think possibilities. A negative thought generates negative actions, after all, as a man thinketh in his heart so is he.

Every potential successful person must grow up in reasoning beyond the level of a child. I Cor. 13:11 "When I was a child, I reasoned like a child..." Maturity is key toward every successful development. This informs why every believer must stop thinking like a child, I Cor. 14:20, rather, should have wholesome thinking faculties as seen in II Pet. 3:1

You are a sum total of what you have been thinking and no one can live or achieve beyond the limit of his thoughts; if you think little then you will remain little, if you think defeat, you will become a defeat, if you think you are a loser, that you shall be, if you think you were created to be employed or work for someone else, that you shall be. But a change in your thoughts can seriously influence you

achievements.

Three things can help you think well; *a sound mind, sound companionship and a sound environment* and they are capable of influencing your progress, Prov. 21:29; Prov. 14:15. Have a sound mind, choose the right companion and be in the correct environment. These will change your thinking and belief system and will subsequently influence your life positively.

## **7. Take Useful Action**

Gal 6:4-5

“But let every man prove his own work, and then shall he have rejoicing in himself alone, and not in another. For every man shall bear his own burden.”

Action they say, speaks louder than words, so we may add at this point that useful action speaks louder success in life. No matter how intelligent you are or how much degrees you have acquired, you must get something done for yourself. Take useful action that can make things work for you, therefore, do not waste time acting on things that are not useful.

**Three things may describe a useful act;**

- a) It must be timely
- b) It must be profitable
- c) It must be reasonable

If your action can prove the three statements above, then it is useful and is likely leading to success. Note that action generates reward, Prov. 14:14, hard work brings profit but much talk

leads to poverty, Prov. 14:23.  
Therefore, Whatever your hand finds  
to do, do it with thy might, Eccl. 9:10.

## **8. Seek first the Kingdom of God and His Righteousness**

*Matt. 6:23*

*"But seek ye first the Kingdom of God,  
and His righteousness; and all these  
things shall be added unto you".*

The last step in the process  
incidentally becomes the first.  
Success in whatever way is strictly  
dependent on seeking God's  
Kingdom and His righteousness. No  
wonder Jesus told Peter to use the  
Kingdom keys for loosing and  
binding; for the gate of hell shall not  
prevail against it. Most people are too  
interested in business success while  
neglecting kingdom service and

righteousness. But recall that except the Lord builds the city or the house, they that labour only do so but in vain, Psa. 127:1. Note also the Psalmist speaking thus, *"I was young and now I am old, yet I have never seen the righteous forsaken or their children begging bread. They always lend freely; their children will be blessed. Change from evil and do well then you will always live securely"* Psa. 37:25-27.

And so for you who has not given your life to Jesus, your special encounter for success begins with an encounter with the Lord like it happened on Pentecost day, Act 2:36-42.

## THE PRICE FOR SUCCESS

***“Whatever thy hand findeth to do,  
do it with thy might; for there is  
no work, nor device, nor  
knowledge, nor wisdom, in the  
grave, whither thou goest.”  
Eccl. 9:10***

Success has a price tag because there is a price you must pay to get what you want in life. In fact, there is no side stepping to the fact that any type of success demands something from you. This is simply the way life works and rarely will a shortcut ever take you there. Let us take a closer look at what success in any field of endeavour requires.

### **1. Hard Work**

Hard work is the key and prerequisite to success. It is a necessity not a choice. Extraordinary people work very

to achieve and sustain their success. They always start from scratch and progress through several stages of development, applying their talents, skills and training to gain higher levels in their pursuits. Most successful people stay awake while others sleep, they work under all conditions whether favourable or not. Both dry and rainy seasons get acquainted to them without fear or doubts. Show me any successful person and I will show you a hard working person.

The bible supports hard work against laziness, even God hates lazy people but encourages the hard working. Please read carefully, Prov. 12:11; Gen. 2:15; prov. 13:4; Eccl. 5:12.

## **2. Dedication and commitment**

A primary factor behind each successful person is their level of dedication which signifies their

commitment towards achieving objectives and life goals. Cultivating the spirit of dedication and commitment to your task or work is a foundational principle for life. Naturally, dedication is a crucial ingredient in achieving any significant accomplishment. Matt. 6:24; 19:29.

### **3. Determination**

Determination for success is one of the most essential things to have. Vince Lombardi states that the difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather a lack in will. When you are determined and committed to your will for success, there will always be the persistence, find a way to succeed on an endeavour. Determination is important because it drives other factors such as persistence, perseverance, dedication, strength

and motivation. Determination determines whether or not you will be successful in attaining a goal, II Tim. 4:7.

## CONCLUSION

Now begin by setting the goal (Planning) to meet up with your proposal in the year. Start on time and write them down clearly. Goal setting for success pushes you forward, defines the essentials of success, holds you accountable, becomes your measuring stick while progressing, it informs action, sets priorities, communicate meaning, tracks progress and recognizes progress at a glance. Every **football match** has the goals set before commencement. This puts the players on target as the fight for reward. Set your goals for the year now, Luke 14:28

Then further your steps by Maintaining Standard (Discipline). Success needs standard because life is hard. Being committed and disciplined to standard helps one to stay focused on the vision. Many new-

year resolutions will fade off easily because they not set to standard, hence unachievable. Discipline for success is a call to maintain standard for the achievement of a goal, I Cor. 9:24-27

Avoiding Distractions (keeping Focus) will help in the actualization of a given because every success has distractors capable of helping you to lose focus. **Consider a photographer** while taking an image. The lenses have to be sharp in order to capture and bring home the need image, Phil. 3:7-8,14.

## **SPECIFIC PRAYER POINTS**

*“Let us hold fast the profession of our  
faith without wavering;  
(for he is faithful that promised)”*  
Heb. 10:23

Committing all our plans, expectations, actions, families, career, business, offices and many more into God's hand. Every step of a believer shall be controlled by the Lord, God shall direct each family, marriage, business and educational pursuit toward success and enable his own to progress, adding value from day to day. The following specific areas of our lives shall be blessed with divine manifestations that shall sum up unto wholesome successes:

### **1. Leading a progressive and successful spiritual life**

May we find peace in God and raise a rewarding spiritual standard around us, living above conflicts, hatred, disunity, backsliding and spiritual

attack. May God raise a spiritual banner over our families and grant us victory over all negative imaginations. May the Church and our families become a blessing to all of us and may the spirit of love for the things of God come alive in us.

May God grant us the ability to live above sin, raise spiritual alters, increase our faith and sanctify our lives with all manners of holiness. May we draw closer to God and have Him direct all our steps, guide us to achieve His desires and bless our spiritual lives with good success.

## **2. Receiving direction for good Choices and informed Decisions**

Our steps shall be ordered by the Lord toward pleasant places and for meaningful actions. May the choices we make not lead us astray, rather, should lead us unto higher grounds, rewarding our efforts with divine

benefits. The Lord shall control our choices, deflate anger in us and grant us understanding to take meaningful decisions in life which shall benefit us and our children.

The Holy Spirit should give us divine sense, multiply our wisdom and help us to make better decisions not just to survive but to thrive. We will reign and succeed as kings, not as slaves, we will not be defeated.

“

### **3. Grace to attract Rewarding Relationships and Companionship**

The company we shall keep this year shall be for good. All evil friends, colleagues and relations, shall be spiritually diagnosed and shifted away from us with strong spiritual connection for heavenly blessings.

Just as God can supernaturally open doors, sometimes, He can

supernaturally close doors all for your good. Stay open for change, God has a purpose for you.

#### **4. Educational and Career success**

For all who will be walking towards educational and career advancement, may God keep their eyes fixed on their goals and bless them with the determination and discipline to go through all that will be required for success.

May God put people in the right direction toward career search and equip them with the values and convictions to push for the reward of a higher calling in their endeavours.

#### **5. Economic Improvement and advancement**

May the Lord pay attention to your economic well-being and cause a new beginning to come with fresh blessings. All labour and endeavours of your hands shall be blessed with increase and abundance. Whatever

you lay your hands on shall prosper and multiply.

The Lord will give you the grace to endure and maintain any good thing you start, He will retain the blessings and give you the glory.

## **6. Favour over stagnation and limitations**

May the Lord anoint and empower His children for breakthrough over limitation and stagnation. Every yoke, bondage and limiting factors in life shall expire and break off. May you rise higher, overcome and experience victory like never before.

May we not constantly struggle to make things happen on our own but may the Lord grant us the advantage for supernatural encounter for positive engagements. God has lined up the right opportunities for our

good. The Lord shall disarm every stronghold that stands against your progress and frustrate all negative schemes.

*“And God is able to make all grace abound to you, so that having all sufficiency in all things at all times, you may abound in every good work”*

II Cor. 9:8
